

CREATE YOUR LEGEND

The Calgary Film Centre has your next production covered with purpose-built studios and a turnkey production environment tailored to your needs.

THE CALGARY FILM CENTRE AT A GLANCE

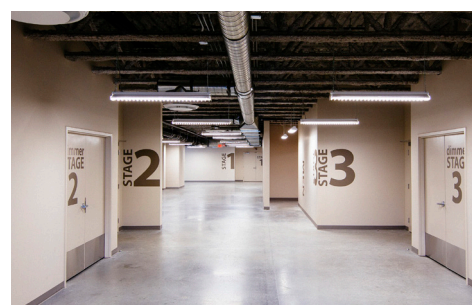

50,000 SQ FT
of purpose-built sound stages.

3 STAGES	1	20,575 SQ FT
	2	12,649 SQ FT
	3	18,189 SQ FT

35,000 SQ FT
workshop and warehouse space.

ANCHOR TENANT
Canada's largest provider
of production equipment.

ABOUT OUR STAGES:

- Acoustically sealed, with duct silencers to reduce noise
- Eight 2,440 amp panels with dedicated camlocks in each studio
- Each truss can support 15,000 lbs with 42' floor to truss
- 16x16 overhead doors allow a semi-trailer, motorhome or bus on stage
- Air can be replaced twice per hour to remediate scenes involving fog and smoke

The Calgary Film Centre
is conveniently located

25 MINUTES

from the Calgary airport and
20 minutes from downtown.
