DELEGATES PROFILES

HILLTOP FARMS, PLANT AND PEOPLE

At Hilltop Farms - Plant & People, we aim to make hemp a 'super' but normal part of your daily life, not only for its incredible taste, versatility and health benefits but also for its remarkable environmental impact. Hemp has the power to clean the air and soil, and with a growing community of hemp enthusiasts, we envision a future where hemp can replace plastics, fuel industries, contribute to sustainable textiles, and much more. Join us on our mission to make the hemp plant - a normal and transformative force for both people and the planet.

WHY IRELAND

Looking to connect with the agriculture sectors in Ireland and the greater EU.

DELEGATES PROFILES

MEDESSIST

MedEssist builds and deploys world-class clinical solutions, business tools, and a full-service technical support team to bolster community pharmacies into the 21st century; all while also supporting the scaling of innovation for diagnostic, digital health and pharmaceutical companies.

As an alumnus of the Google for Startups accelerator, MedEssist continues to grow quickly building an accessible, affordable, and connected layer of the healthcare system through this modernization of community pharmacies.

WHY IRELAND

In Canada, local pharmacies are thriving and filling essential gaps in healthcare. MedEssist is the leading technology platform for independent pharmacies in Canada, enabling pharmacies to implement new collaborative models of care to make healthcare more accessible than ever before. Due to the high density of pharmacies, Ireland is the ideal international market for expansion of healthcare services through pharmacies.
